
WHAT YOUNG MEN SAY ABOUT LIFEBROTHERS...

"Through LifeBrothers, David allows you to face issues and situations that many young men seek to avoid because of the stigma of insecurity or weakness. David's authenticity and his raw belief is truly contagious and gives young men like me the courage to become accountable to myself and to those around me."

LUKE JOSEPH (18)

"David Hagan's down to earth and relatable presentation is a great catapult into becoming a mature, respectable adult. David's dedication and charisma toward developing young men to have a successful life is what makes LifeBrothers unique and inspiring."

BRANCH BOBBITT (18)

"David offers a powerful speech that will help young men rethink how they act. Recently I lost a close friend in my fraternity. Once David heard the awful news he was there reaching out a helping hand and a shoulder to cry on. LifeBrothers is not just an hour speech with David, it is a friendship that you can always count on."

HARRISON AKIN (18)

"David has created a program and environment where young men can learn to navigate life's hardships and become the best version of themselves along the way. It has been an incredibly refreshing experience being a part of LifeBrothers. It is a community that has, and will change the lives of countless men."

WILL HENDRIX (24)

WHAT PARENTS SAY ABOUT LIFEBROTHERS...

"David has answered the call...to tell every young man they are not alone and that there is no problem they cannot overcome together. David is meeting head on the failure of schools and institutions to address drugs, alcohol, sex and suicide. Take yourself and your son to hear this presentation and feel what it's like to knock some walls down."

BILL DAVIDSON, FATHER OF ETHAN (16)

"David has a unique way of connecting with young men and preparing them for life's challenges in a most caring and compassionate way. For anyone with a young male adult, the presentation coupled with David's unwavering dedication to these young men moving forward is unparalleled and can't be missed!"

LISA & JOSH BOBBITT, PARENTS OF BRANCH (18)

"I've witnessed a relationship that David has with my two sons that encompasses mutual respect, trust and loyalty. As a participant, I was educated and inspired (and sometimes confounded) by his straight from the heart, totally honest, program. David loves all of his LifeBrothers! He tells them that often...and he means it!"

MARY HALE, MOTHER OF JAMES (20) & TOM (18)

"David tackles the tough issues that young men face with truthful and honest information. It's nice that they can be among their peers and learn from a great teacher who doesn't sugar coat! They will hear the real deal and it's impactful and effective! What they learn at LifeBrothers will stay with them for a lifetime."

JESS WASHBURN, FATHER OF JESSE (18)

"David is able to get young men, who often have no one to trust or confide in, to consider and face important questions and issues that they often avoid in today's confusing and conflicted world. David's program emboldens them to embrace who they are and gives them the confidence to live meaningful lives."
